January	February	March 12	April 9
May 14	June TBD	July 16	August 20
September 10	October 8	November 12	December 10 Dinner

Club Mission and Vision Statement:

Mission: To assist members in the comprehension of the guidelines of Spoonplugging through sharing and support and to stress that following the Spoonplugging guidelines will ensure the learning process will never end.

Vision: Sustain and grow membership in the club in order to transfer Spoonplugging knowledge to future generations.

Things to Know:

- The July and August meeting dates have moved one week later into the month to avoid conflicting with Muskegon and Indiana Outings...see the new dates posted above.
- Attendees felt that this past Winter Seminar had better delivery and content due to the Club having more speakers from within our club.
- Discussion of fishing situations involving Waubesa and Heidecke.
- One guess attended our last meeting and also attended the Saturday Winter Seminar.
- Club membership above 26 again this year.
