SPOONPLUGGERS CHRISTMAS PARTY

Come celebrate another great year of Spoonplugging. The new managment at the VFW has a great kitchen. This meeting will be the last until April 1, 2015. We look forward to having a free raffle. The club treasury will treat members to one and a half hours of Beer drinking and Pizza eating. Bring your appetite, stories and pictures. We look forward to seeing you there.

Bill and Frank Lorch hit Lake Newton for a few hours on the way home from Missouri the last weekend of October. They fished Lake Kinkaid the day before and got skunked. Cooling lakes are a wise choice at this time of the year when other lakes are turning over.

Chris and Jerry took their annual fishing trip to Canada. They landed 19 Walleyes over 26" and caught a boatload of fat Northern Pike as well. They fished four different lakes in twelve days with a tally of about 360 fish. These Canadian Lakes are loaded with huge fish.

I'm going next year for sure!

This is our very own Vic Saunders in 1967 with a beautiful stringer load of Largemouth Bass out of Lake Apopka in central Florida. This lake was said to be fished out. All I can say is That's a Beautiful thing Vic!
